# About me

## Amber Van Miegem

Amber Van Miegem is a Belgian live illustrator specialising in weddings, brand activations and exclusive events.

From intimate celebrations to large-scale festivals such as Tomorrowland, every illustration is created live, giving guests a unique keepsake to take home.

Every event is approached with the same attention to detail, creating an experience that is both personal and memorable.

She studied Fashion Design before continuing her education in Fine Arts, where she refined her artistic skills and developed a strong understanding of composition, colour and proportion.

After graduating, she gained professional experience in the fashion industry as a Technical Designer, combining creativity with precision and attention to detail.

Today, Amber brings that unique combination of artistic vision and fashion expertise to every live illustration she creates.

Her elegant style captures not only a person's appearance, but also their personality, making every illustration a meaningful and lasting keepsake.

## Illustrations

Elegant and timeless live illustrations, capturing people and moments with style and personality

Created in approximately 3–4 minutes per person.

Each illustration is hand-drawn live during your event and serves as a unique keepsake for your guests. To maintain a smooth workflow and consistent drawing speed, all illustration cards are prepared in advance.

Every card can be fully personalised with names, dates, logos or event branding.

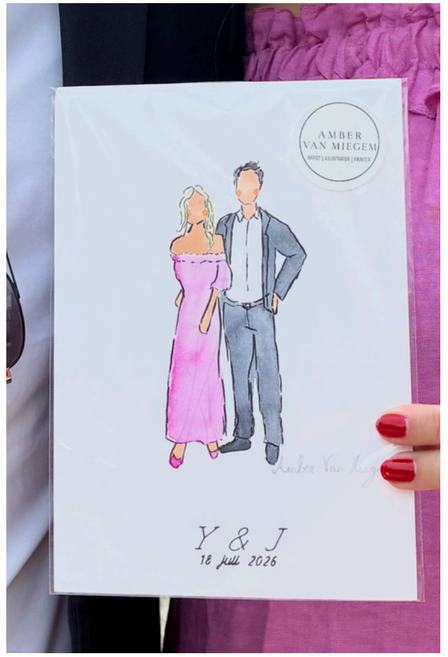

Custom backgrounds, venues or iconic landmarks can also be added to perfectly match the atmosphere of your event.

# Cartoon

## Illustrations

Playful live cartoon illustrations, hand-drawn in approximately 5–6 minutes per person.

Each illustration is created completely live, making every drawing a unique and spontaneous keepsake. No pre-prepared templates are used, allowing each portrait to be drawn individually from start to finish during the event.

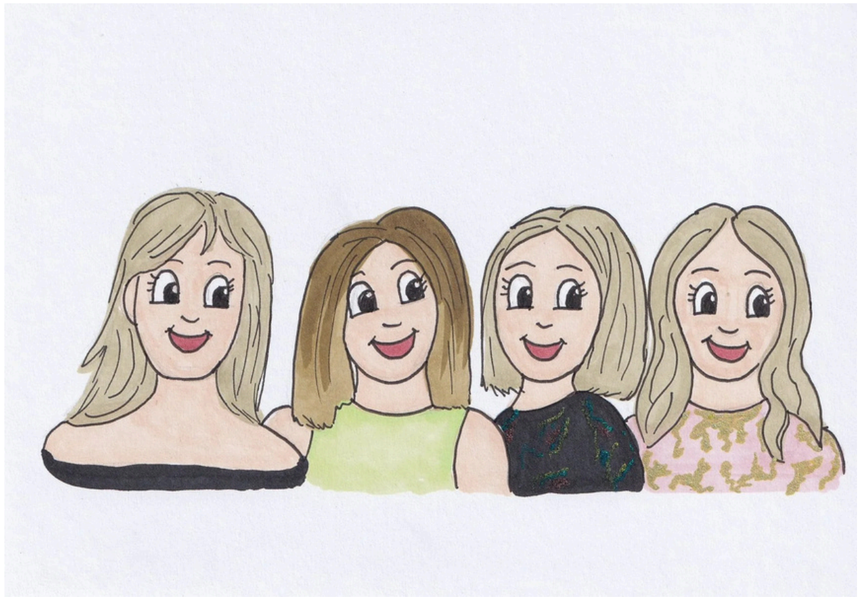

Illustrations can be fully personalised with names, dates, logos or event branding.

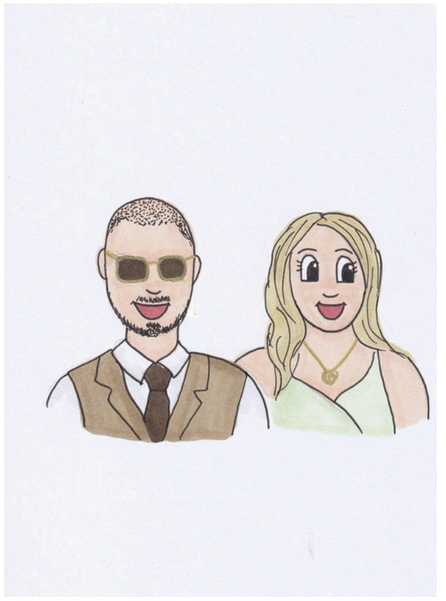

Custom backgrounds, venues or iconic locations can also be added to create a truly one-of-a-kind memory.

# Portrait

## Illustrations

Modern live portrait illustrations, created in approximately 6-7 minutes per person.

Each portrait is hand-drawn live using expressive brush strokes and carefully selected colours, capturing the unique personality and character of every guest.

Every illustration is created entirely during the event, making each piece a one-of-a-kind keepsake.

Portraits can be fully personalised with names, dates, logos or event branding.

Custom backgrounds and meaningful locations can also be added to create a lasting memory of your special occasion.
