Choose the package that suit your needs

JMB Sound offers all-in packages

01

PARTY SPECIAL

Any event of less than 100 people is still a party to us. Includes a set of speakers, microphones and mood lighting. Ambiance music at speech levels and moderate volume

02

SMART CHOICE

Full set of speakers with subs and optional full lightshow for any party of 300 people. Pick an artist or band of your choosing and then let a DJ pick up the night with some extra good vibes

03

MAKE IT PRETTY

Full mood lighting kit, fully wireless, IP65. A small gazebo is available on request for outdoors. Start with an intimate solo artist for your ceremony and have a band bring everybody to the dancefloor with covers of your choice

04

AMAZE ME

Greater scale comes with great responsibility. Have one of our engineers design the setup for your space up to 500 people. Wireless microphones, mood lighting, lightshow and custom DJ.

YOUR EVENT ANYWHERE

With bluetti

JMB Sound is powered purely with
Bluetti solar powered, off the grid
batteries.

There's nowhere where we can't
take the show. No power? No
problem!
